My dear brother Haji Mohammad Hadi NAZARI

First of all, I would like to express my greetings to you and beg to inform you that I've recently received a letter from Mr. Ali Asgar GHOLIPOUR, from Babol. After receiving the letter, I became informed that my beloved brother has passed away. It's surprising why, as my best friend, you're not informed of death of my brother and / or failed to inform me of the event. This really made me disappointed why you failed to write me a letter and inform me about death of my brother. As you know, you've always been my best friend. For this reason, I would like to ask you to write me about the fact of my brother death with full details and send me a letter containing all details as soon as possible. Mr. GHOLIPOUR informed me that all properties of the decedent have been sealed up to determination of his heirs. I've also taken some steps in this regard here. I really would like to express my thanks to Mr. GHOLIPOUR for informing me of the event but he failed to write me in detail about the event. May you kindly learn the detailed information of the event and write a letter about it and send it to me? Surely your letter will heal my pains because you're my best friend and one of the closest people to my family. You were also a beloved person to my late brother Just like me. My pains will be relieved by receiving your letter and seeing your handwriting.

My the Almighty bless you.

Your small brother Mashahd Teymur
