Moscow, Inyurcollegium (Foreign Legal Collegium).

On June 26, 1957 I sent you a telegram informing you of the death of my brother Mekhti Melikpur and of taking urgent measures to receive the inheritance. He died in Iran in the city of Babel (Mazandaran district), his death was reported to us by my friend Ali Asker Gulupur, who lives in that city and from whom I received two letters.

We were three brothers:

Melikov Teymur Hasan Ali oglu

Melikpur Mekhti Hasan Ali oglu

Melikov Ali-akper Hasan Ali oglu

Melikpur Mekhti died and we became two Melikov Teymur and Melikov Ali Akper.

We reported the death of my brother to the Ministry of Foreign Affairs of the Azerbaijan SSR, on whose recommendation we send you a telegram and a letter.

According to our friend Ali Askar Gulupur, we know that all the property and enterprises of my brother are sealed by the Justice of the city of Babel (this is in the first letter). And in the second letter, he informs us of an urgent informing the Justice of the city of Babel and the Ministry of Foreign Affairs of Iran in the city of Tehran about his inheritance.

Since my brother is an Iranian citizen, and my another brother and I are Soviet citizens, we could not do this on our own. We are waiting for your instructions - either you inform the indicated institutions of Iran or let us inform.

Looking forward to hearing from you.
